**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition to help drive quality service. Our current provider is able to use innovation and creativity to provide a service that is far superior to that provided by the big providers who are reliant on less competition. Broadband is such an important need for all aspects of life so we need that competition.

Thank you.
